

DNREC's Division of Fish & Wildlife to close Millsboro Pond boat ramp for reconstruction and expansion

MILLSBORO – DNREC's Division of Fish & Wildlife will close the Millsboro Pond boat ramp and its associated facilities in Sussex County for a major reconstruction and expansion project beginning July 22, with completion anticipated Nov. 30, weather permitting. The project will involve total reconstruction of the boat ramp, installation of a new courtesy dock, expansion and repaving of the parking lot to provide additional parking, and installation of lights.

Ingrams Pond near Millsboro includes a boat ramp and is a nearby, alternate fishing location during the closure.

For more information on the Millsboro Pond boat ramp reconstruction project, please call the DNREC Division of Fish & Wildlife Fisheries Section at 302-739-9914.
